

The True Power of Water: The Collaboration between Sound and Water

with Bestselling Author

Dr. EMOTO

Dr. Masaru Emoto was featured in
the hit film *What the Bleep do we Know*

Drawing from his own research using high-speed photography, scientific researcher, healer, and popular lecturer Dr. Masaru Emoto will teach you how the ability of water can absorb, hold, and even retransmit human feelings and emotions. You'll learn how water is deeply connected to people's individual and collective consciousness.

The implications of Masaru Emoto's research create a new awareness of how we can positively impact the earth and our personal health.

Based on his new book *The True Power of Water*, Dr. Emoto will discuss:

- * *The power of words on our health and immunity*
- * *Metempsychosis- the belief in transfiguration of the soul*
- * *How Water Crystal Healing concentrates consciousness to provide powerful and lasting healing effects*
- * *Water crystal photography technology and a new device which can measure "sound"*
- * *Practical everyday uses for the healing power of water*
- * *How music, combined with visualization and meditation, can improve many medical conditions and correct negative emotions*
